### § 3

The Annual General Meeting of Getin Noble Bank S.A. hereby amends the Articles of Association of Getin Noble Bank S.A. by imposing the new wording to Article 29(1) as follows:

#### “Article 29

### § 4

The Annual General Meeting of Getin Noble Bank S.A. hereby authorizes the Management Board to take all necessary legal and actual steps connected with the execution of this Resolution, and in particular to file appropriate motions and applications.

§ 5

The justification for this action is the necessity to adapt the number of shares to the reverse share split parity in order to merge them effectively. In order to conduct the process of reverse share split, the Company must acquire one treasury share, redeem the share, reduce the initial capital of the Company and amend the Articles of Association of the Company by setting new value of the share capital and new number of shares which allows to merge shares and set the new nominal value of shares in the amount of PLN 2.73 (two zloty and seventy-three groszy). The voluntary redemption of shares for no fee allows avoiding extra costs connected with the procedure described in Article 456 of the Code of Commercial Companies and Partnerships. According to Article 360 of the Code of Commercial Companies and Partnerships the redemption of shares requires the reduction of the initial capital of the Company.

Taking into consideration the above, it is justified to adopt this Resolution.

§ 6

On the basis of Article 430(5) of the Code of Commercial Companies and Partnerships, the Annual General Meeting hereby authorizes the Supervisory Board to set the uniform text of the amended Articles of Association of the Company.

§ 7

The resolution comes into force on the day of its adoption whereas the amendments to the Articles of Association adopted by this Resolution come into force according to Article 430(1) of the Code of Commercial Companies and Partnerships on the date the amendments are entered into the register of entrepreneurs of the National Court Register upon prior consent of the Polish Financial Supervision Authority to the proposed amendments.

The resolution was adopted in an open vote:

- it was validly voted by 1.952.309.033 shares, which constitutes 73,6680548181% of the Company's equity;
- the resolution was adopted by 1.952.309.033 votes "for", with no votes "against" or "abstaining"; - no objections were raised.

The above shall be made in the scope necessary to eliminate the deficiency and make it possible, under the condition that this Resolution is adopted, to register the amendments of the Articles of Association of the Company including new nominal value of shares of the Company in the amount of PLN 2.73 at the National Court Register and set the Reference Date by the Management Board. The performance of the agreement shall fall on the date the Reverse Share Split is conducted at the National Depository for Securities.
2. In connection with the above, the Annual General Meeting of Getin Noble Bank S.A. decides that as a result of Reverse Share Split each merger deficiency existing as at the Reference Date shall entitle to receive from the Entity Complementing Merger Deficiency one share of the nominal value of PLN 2.73 and the right of the Entity Complementing Merger Deficiency to receive one share of the nominal value of PLN 2.73 shall be decreased by a number of shares of current nominal value necessary to eliminate each merger deficiency.
