-  **In 2011, the Bank renewed and collateralised CIRS's of CHF 1.9 billion at prices approx. 50% lower than the current market margins.**
-  **The Bank places great emphasis on the quality of its loan portfolio:**

 - The quality of new loans improved considerably despite higher write-offs in Q2 2011.
 - Q2 2011 write-offs were down by PLN 27 million compared to the same period of last year.
 - The increase in H1 2011 write-offs was in part attributable to a high CHF/PLN exchange rate and the contagion effect.
-  **Getin Noble Bank Group companies reported good results.**

 - Lease activity grew at a face pace – Getin Leasing is ranked as the 7th largest lease provider on the market.
 - The number of investment accounts (Noble Securities) rose by 66% compared to the 2010 year-end figure.
 - In H1 2011, Noble Securities raised more than PLN 815 million for 14 entities through private and public share and bond issues.
 - Fund assets (Noble Funds) grew at a fast pace – 52.0% on a year-to-year basis, more than three times faster than the entire market ¹⁾ (16.7%).
